2.75 (b) (1)

RECORDS: DEALERS AND EXHIBITORS.

(b)(1) Every dealer other than operators of auction sales and brokers to whom animals are consigned, and exhibitor shall make, keep, and maintain records or forms which fully and correctly disclose the following information concerning animals other than dogs and cats, purchased or otherwise acquired, owned, held, leased, or otherwise in his or her possession or under his or her control, or which is transported, sold, euthanized, or otherwise disposed of by that dealer or exhibitor. The records shall include any offspring born of any animal while in his or her possession or under his or her control.

***** Records were not available at the time of the inspection. The individual present at the premises did not know where the records were. Records must be available for review at the time of inspection.

Correction: Records were provided at the time of the exit interview [23 March 2010].

3.131 (c)

SANITATION.

(c) Housekeeping. Premises (buildings and grounds) shall be kept clean and in good repair in order to protect the animals from injury and to facilitate the prescribed husbandry practices set forth in this subpart. Accumulations of trash shall be placed in designated areas and cleared as necessary to protect the health of the animals.

***** The room where hedgehogs were kept was not clean. Wood shavings, kitten litter, fecal material, cat food cans were observed on the floor. Shelter foster kittens (5 observed) were being kept in the same room where the hedgehogs were kept and the kittens were being allowed to run freely throughout the room. The kittens litter boxes were not clean and fecal matter was observed outside the litter boxes, on the floor, and on the lower aspect of one of the hedgehog enclosure racks. The contamination of fecal material throughout the room is a health hazard for the forty-four hedgehogs being housed in this room. The shelter foster kittens must be removed from the hedgehog room. The room must be thoroughly cleaned to facilitate the prescribed husbandry practices to protect the health of the animals.

Correction: Item had been corrected at time of exit interview [23 March 2010].
